

Literacy

Fiction Unit: The Iron Man

In this unit, we will read the book: The Iron Man, asking and answering questions and making predictions. We will look at the author's use of powerful language to capture our imaginations. We will write diary entries in role, create our own imaginary creature, and write a story about what happens when it encounters humans.

Non- Fiction Unit: Was Tutankhamen killed?

We will explore the Big Question: Who killed Tutankhamen? Reading an interactive eBook, retrieving, and collating information and identifying evidence in the text to support our theories. We will write letters, paragraphs, and finally an explanation text in response to the Big Question.

Poetry Unit: Performance Poetry

We will share and enjoy three poems, identifying and giving reasons for their likes and dislikes. Discuss poetic features, the poems' structure, and language choices. We will look at the poet's use of personification in depth and then draft and write our own versions.

Madni Primary Academy

Autumn Term in Primary 2

Science

Health and Movement

We will learn about how animals, including humans, need specific nutrition to help them move and grow, and how humans and some other animals have skeletons and muscles to help their bodies move. With plenty of opportunities to carry out research and undertake practical investigations throughout the topic.

Light and Shadow

We will learn about light, shadows, day, night and everything in between! With opportunities for practical experiments and fun activities, in this topic we will learn about how light travels, what shadows are, how the length and position of a shadow changes throughout the day and much more.

We are reading.....

History

Early Civilisations

We will explore when and where the earliest civilisations appeared (including Ancient Sumer, Indus Valley, Ancient Egypt and the Shang Dynasty) and will introduce them to the amazing achievements of each civilisation.

Exploring writing and number systems, trade, investigating ancient structures such as the Egyptian pyramids, as well as exploring other inventions from the wheel to the toilet!

Geography

Countries of the World

We are explorers!

We will learn to identify and locate the seven continents and some of the countries within each one, but we will also explore areas of human and physical geography around the world, from population and culture to mountains and rivers.

Art/D.T

Sonia Delaunay

We will look at one of the great female artists of the 20th century, Sonia Delaunay. finding out about her early life, who and what she was influenced by, and how she developed her own distinctive style of art.

Sandwich Snacks

In DT we will get our tastebuds tingling as we taste and test a variety of sandwich fillings and types of bread, before the big challenge of designing, making, eating and evaluating their own healthy sandwich snacks!

Computing

Online Safety

We will learn about cyberbullying, online advertising, privacy, emails, and other forms of online communication.

Word Processing Skills

We will use Microsoft Word to learn basic skills such as numbering, creating tables and formatting pieces of text

R.S & Arabic

We will start by learning about the pillars of Islam, what they are and their importance. We will then go on to learn about the signs & symbols, how they represent the different religions. We will also explore the Sunnah foods and the stories behind them.

In Arabic this term we will be recapping the Arabic Alphabet and numbers. We will also be looking at genders of nouns.

PSHCE

We will learn the importance of having confidence in yourself and discuss strategies to help cope with uncomfortable situations so they can themselves as much as possible.

We will also be understanding what digital wellbeing is. learning about screentime and getting a healthy balance between online and offline activities.
